

# VALENCIA

Valencia is a city that will enchant you with its young, hip vibe and then pull you deep into Spanish with its history, tradition, pride and old-world Spanish feel. Amazing street art juxtaposed with incredible ancient architecture give you a sense of the artistic side of this city; fields filled with fresh fruit and vegetables and horse-drawn carriages give you glimpses into Spain's past; saffron-bright paella and cool, sweet horchata teach you Spanish through taste. From the indescribable light in the afternoons, to its heart pounding festivals (la mascletà during las Fallas is something that can only be felt), to the captivating, Star-Wars-picturesque City of Arts and Sciences, Valencia is a place where you will learn Spanish through experience.

“When it comes to the school, I loved that there was so much natural light in the classrooms with a nice garden and it is next to the University of Valencia. When it comes to the city, I decided to choose Valencia because it was a big cultural city with nice beaches but relaxed at the same time. The teachers brought us to new places all the time, each one more beautiful than the last!”
