

ALICANTE

Alicante offers a picturesque Mediterranean destination which is ideal for studying Spanish. At the epicenter of the Costa Blanca, one of Europe's most popular tourist destinations, Alicante has it all—pristine beaches, buzzing nightlife, a medieval fortress, a charming old quarter, great food and plenty of nature to explore. The architecture and details throughout the city are remnants of previous centuries, inspired by the Phoenicians, Greeks, Romans and later the Arabs. With so much to do and see, you will find yourself speaking Spanish effortlessly and loving your stay with Enforex Alicante! Visit any time of the year, the weather is always pleasant and sunny.

“What I value the most from my experience at the school in Alicante was being able to put my Spanish into practice as soon as I stepped out of the classroom in bars and cafes around the city. Alicante is also a comfortable and small city; it’s easy to get around, there’s a great young vibe, and best of all, there’s sun and the beach right around the corner from the school!”
