DÉNIA

**It is a medium-sized city,
a small paradise with a
Protected Natural Park and more
than 20 km of coastline, at the
heart of the region of Valencia.**

City recognized by UNESCO
for its creative gastronomy

We are in Denia, Alicante (Spain) at the heart of the Region of Valencia, between Valencia and Alicante and less than 100 km from both international airports. It has a privileged location, between the Mediterranean Sea and the Montgó Natural Park and an excellent climate.

Our location, the historic city of Denia, is ideally situated between the sea and the mountains with an excellent climate, world-renowned gastronomy and a reputation for being safe and offering a great quality of life.

A group of five smiling adults (three men and two women) are posed in front of a large world map. The map is dark with white outlines of continents and countries. The people are dressed in casual attire. A red speech bubble-like shape is overlaid on the left side of the image, containing the main title text.

Official exams

Demonstrate your progress and certify your knowledge!

TLCdénia is an official examination centre for three exams: DELE, SIELE and CCSE.

DELE

The DELE exam is internationally recognized, and enjoys great prestige not only among public and private educational institutions and authorities, but also in the business world and chambers of commerce. In many countries, the DELE has been adopted by departments of education and official institutions of learning as a complement to their own assessment programmes. They are ideal for furthering your career and access to education, both in Spain and in other countries.

SIELE

SIELE is the Servicio Internacional de Evaluación de la Lengua Española which certifies electronically the proficiency and command of the Spanish language for students and professionals.

As an advantage over DELE, it is a single multilevel exam you can take at any time, and you can select which skills you need to be tested on and get the results quicker.

CCSE

This exam tests Spanish culture and constitution knowledge rather than Spanish language. To apply for Spanish nationality you need to pass this exam, as well as reaching at least an A2 level in the DELE exam.

Exam preparation:

As an examination centre, our teachers are experts in preparing our students to pass the exams. Trust our team to help you prepare for your Spanish certification with guarantees.
